

NOVICE STATE SERIES TOURNAMENTS

What are Novice State Series Tournaments?

Novice State Series tournaments are for youth wrestlers to compete against other wrestlers with similar experience levels. The wrestlers earn Novice Computer points for State Rankings. These computer points are different than the Sectional Computer Points.

What are Computer Points?

Computer points are points earned for placing in the top 4 of a Tournament

1st place = 14 points

2nd place = 10 points

3rd place = 7 points

4th place = 4 points

To receive novice computer points a wrestler must register for the Novice Tournament online. Register at register.ohioathletics.com
