Purpose: The goal of this tournament is to get first year/beginning wrestlers and their families familiar with how an open tournament will run. We want them to get used to how table workers will call them up to wrestle, how they get prepared to go on the mat, how a match is officiated and scored, and how to prepare between matches.

Format:

- 1) No weigh-ins. You will turn in your weight when you register online or onsite.
- 2) Wrestlers will be assigned to one mat where they will wrestle all of their matches.
- 3) Wrestlers will wrestle a match approximately every 20 minutes until they have completed all of their matches (2-4 matches)
- 4) We will try our best to separate wrestlers from the same team in different pools.
